A letter from the Director...

We would like to extend our heartfelt thanks to the East Greenwich community for your continued support of Avenger Theater. Your contributions, assistance, and enthusiastic attendance make everything we do possible.

At Avenger Theater, we believe deeply in providing as many students as possible with the opportunity to participate. Theater enriches students' lives by exposing them to literature, history, music, culture, and the arts. Each year, close to one hundred incredibly talented East Greenwich students take part in our productions. Whether performing on stage, working behind the scenes, playing in the pit orchestra, or contributing through the classroom, our students embody what it means to be truly "student-centered." They direct scenes, design sets, paint, create programs and tickets, and take on countless other responsibilities—each one vital to our success. This year, we have once again double-cast the musical to ensure expanded opportunities for any student who wishes to participate.

We are hoping next year to offer a variety of classes that compliment the Avenger Theater Program.

Music Classes Include: Jazz Band, Jazz Ensemble, Orchestra, Wind Ensemble, Chorus
Music CTE/Electives include: History of Rock and Roll I and II (which can be taken for EEP Credit through RIC), American Popular Music, AP Music Theory/Music Theory, Digital Music, Intro to Piano, Survey of Music
Theater Classes include: Acting I & Acting II

Our Program continues to expand...

My sincere appreciation goes to our Musical Director and Assistant Advisor Mrs. Leslie Lee, Orchestra Director, Mr. Brendan Carniaux, our Assistant Director and Choreographer Ms. Mimi Scheff, our Technical Director Mr. Mike Hyde, and our Set and Graphic Designer Mrs. Beth Gilliland. It's their tireless effort on behalf of our students that is both inspiring and amazing. I'd also like to take this opportunity to thank Carla Molina and COA for their continued support year after year and the parents of Avenger Theater Society for all of their time and support over the past couple of months. Our NEW parent group has helped us expand the program to new heights, please reach out if you are interested in joining our organization. In particular I would like to thank Mrs. Cathy Costantino for continuing our Senior Spotlight page (see program insert) and our construction crew of Al Dowding, Eric Jautais, James Pierce, and Matt Salisbury. These contributions along with so many others are helping to expand the program to the greater East Greenwich Community. What an incredible team, we are lucky to have them working with our students, the benefit is clear to see in every aspect of our productions.

Finally, to my wife Wendy of 32 years. Her selfless ability to handle the long nights and exhaustion of a theater season is something short of remarkable. I am grateful for her encouragement and support,

We hope you enjoy the show,
For Dad,

Rob Petrucci
